

PennState Extension

Spotted Lanternfly Public Meetings Spring 2017

Would you like to learn more about this invasive insect?

- Why should we be concerned?
- What is the biology and life cycle?
- How does the quarantine order affect residents?
- What can you do to help?

*** **We are also looking for volunteers** to place sticky bands on *Ailanthus altissima* (Tree of Heaven) throughout the summer and report how many spotted lanternflies are captured. If you would like to do this on your property, please stay for the last half hour to learn what to do and get the supplies you will need. ***

Join us at any of the following locations:

- Berks County Ag Center, 1238 County Welfare Road, Leesport, Wed. April 5th, 9:30 - 11:30 a.m.
- District Township Municipal Building, 202 Weil Road, Boyertown, Sat. April 8th, 10:00 a.m. - 2:00 p.m.
